PERTH FLYING SQUADRON YACHT CLUB

TERMS & CONDITIONS

PFSYC Slip Master must be in attendance during all slip operations.

CLEANING

- No major hull cleaning involving toxic solvents or strippers is permitted.
- No sand blasting is permitted.
- Only airless spraying is permitted (not in slipway).
- If undertaking airless spraying of antifoul, temporary screen fences must be put in place prior to the commencement of work at owners expense (not in slipway).
- Airless spraying must only be undertaken within the area of the four cradle bays as directed (not in slipway).
- After cleaning down of boat, all barnacles, coral, contaminants etc, must be swept up and placed in bin provided. The slipway clean down area then must be hosed down. A high pressure system is available for hire on request.
- The works area must be kept in a work safe manner during your stay and must be in a clean and safe manner constantly. Clean Bay Deposit will only be refunded if slipway and hardstanding bay is clean, contaminate and rubbish free at all times.

SLIPPING OPERATIONS

- Slipping must be carried out under the supervision of the slip master.
- To ensure safe public access during peak times, all slip operations must be carried out between the hours of 9am and 4pm Monday to Friday (excluding public holidays). NO EXCEPTIONS.
- To ensure public access is maintained, once the boat in the slipway has been cleaned, the boat must be pushed out of the slipway, and the King Cradle must be returned to the pathway (with handrails secured) immediately (Splash N Dash excepted).
- No work to be done on boats whilst on slip outside of daylight hours.
- Each owner is responsible for setting the cradle for his own boat in accordance with the slip master's instructions.
- **MANDATORY** – Two people are required on the boat whilst positioning on the cradle.
- The jockey cradle must be chocked at all times when located on the king cradle or at its transverse location.
- Pressure cleaner may only be used on boats whilst on slips. Pressure cleaner is not permitted to be used if seawater is above slipway bunding.
- A \$100 Administration fee is applied to all external crane hire bookings.

ELECTRIC POWER LEADS

- Electric power leads are not to be in the slipway and must be compliant RCD protected leads. Portable electrical equipment may require a portable RCD.

SAFETY

- Any person using the club facilities does so at their own risk. Ensure that safe work practices are observed at all times.

BOOKINGS

- Slip requests are to be booked with the Slip Coordinator reception@pfsyc.asn.au
- All slip fees to be paid in advance. No payment - no slip.
- Slipping is done by appointment only.
- The time of slipping and relaunching is nominated by slip master.

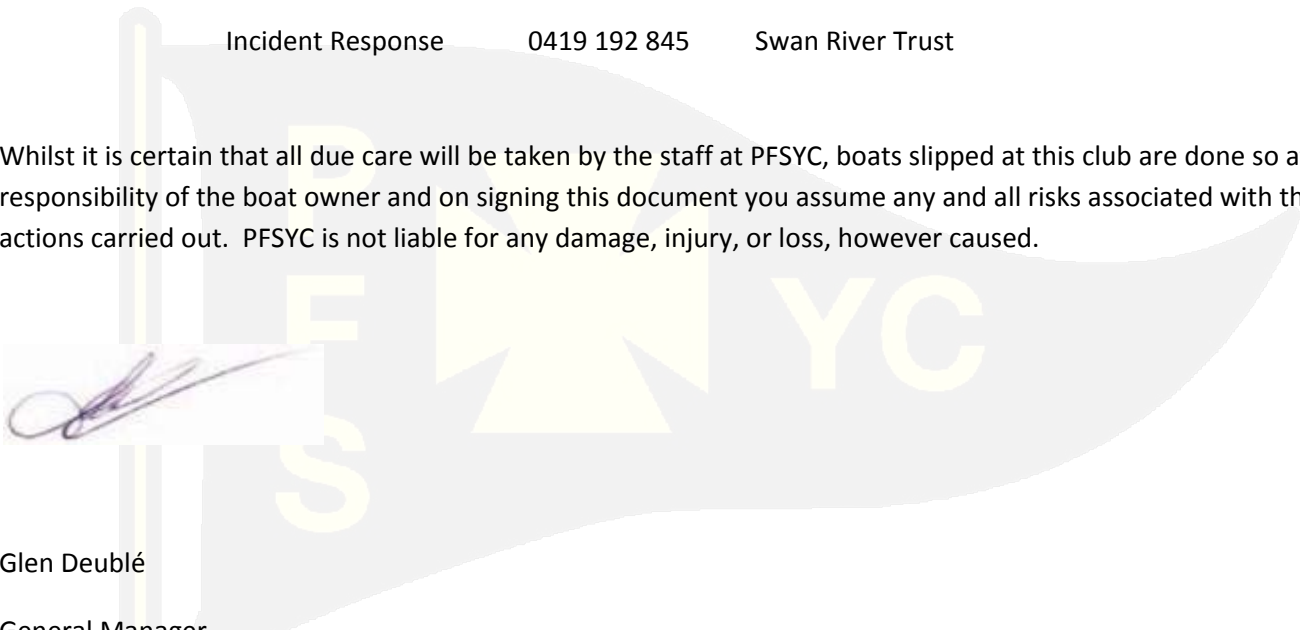

- **Maximum time on slips is 7 days.** Extensions to this period require prior written approval.
- Boats overstaying allocated time on slip will incur a daily penalty rate.
- Slip Master will arrange and notify owner time of slipping and re-launching.
- Cancellation 24 hours' notice must be given to avoid cancellation charges.
- For any slip queries please confer with Slip Coordinator at Reception.

EMERGENCY

In the event of an emergency slip movements may be cancelled or boats may be launched immediately.
