## COVID-19 Information to Members – May 15, 2020

Dear Members

Thank you once again to all of the Members who have supported the Club through continued Membership. The positive feedback is very encouraging.

With the easing of restrictions commencing on Monday, May 18 we will see some minor additional changes to the operations at the Club. These additional changes are: -

- The Club Offices will be open with Administration and Staff working at the Club Monday to Friday from 8am to 5pm with Members able to access Admin and Staff;
- Contractors will have access to Members' boats for R&M by signing in and out at Reception;
- Junior Sail Training will remain suspended due to shared equipment and the inability to maintain social distancing in the smaller boats;
- Food and Beverage (F&B) service to remain closed; and
- Takeaway alcohol orders remain available to Members.

On the subject of re-opening the F&B service, the State Premier's decision to relax certain public gathering restrictions is very welcome and positive news and although it is not practical for the Club to operate F&B under the revised rules, we remain confident that the next stage is not far away. We apologise to those who may be disappointed by this decision, but fingers crossed this will only be for a couple of weeks, hence we are asking for your continued patience.

In anticipation of the F&B service re-opening and with the health, safety and wellbeing of both Members and Staff being foremost in our minds, we will continue to work on the advice of health authorities to ensure safe practices are in place. This includes: -

- All staff completing COVID-19 Health & Safety training prior to reopening.
- Developing a COVID-19 safety management plan, part of which (for the immediate time being) will result in changes to how we previously operated. *We are mindful that this may result in some minor inconvenience to Members and we will do our utmost to contain this to a minimum.*
- A deep clean and sanitisation of all Club fixtures and fittings prior to re-opening.

May I take this opportunity to once again thank you for your support and to send you and your families our best thoughts as we navigate this crisis.

Yours Sincerely

General Committee

Perth Flying Squadron Yacht Club
