COVID-19 Information to Members – January 28, 2022

COVID 19 - Operational Update

As you will be aware, commencing Monday 31st January 2022, a number of changes will need to be made in relation to mandatory vaccination directions that the State Government have introduced. The Executive Committee have endorsed a **Vaccination Policy** which is designed to protect our Staff and Volunteers where possible, but we require Members to support our efforts by complying with the measures that have been introduced by the Government. All Club Staff and Volunteers must be fully vaccinated, and if you wish to attend the Clubhouse, you must provide Proof of Vaccination.

Current restrictions include the requirement for **Masks** to be worn while attending indoor locations.

Proof of Vaccination will be required when entering the Club House. Please be advised staff will be doing their best to ensure everyone is appropriately vaccinated, while respecting your privacy. By having QR codes for our areas, we will be endeavouring to limit the close contact criteria for those attending the Club.

The Perth Flying Squadron Yacht Club recommends that you, your family, friends or guests have the **SERVICE WA App** available on your phone when you arrive, otherwise our Host will need to undertake three steps in providing access to you. Please enquire with our Staff if you require assistance with downloading the SERVICE WA App, or follow [this link to find out more information](#)

Acceptable proof of vaccination includes a COVID-19 Digital Certificate in printed or electronic format, a copy of your vaccination certificate, either stored in your smartphone wallet or in hard copy of your immunisation history statement. These should all be accompanied by an acceptable form of photo identification. Once accepted, you will need to check in via the SAFE WA app, or through our manual register.

There will be no change to the Hours of Operation for the Club Administration or Hospitality.

We request that you advise your guests that they will need to be fully vaccinated to attend our Club, or will be refused entry. If you or your guests are required to leave the licensed area and then return, please speak to the Host about obtaining a colour coded wrist band, that will reduce the necessity for them to provide Proof of Vaccination once again when re-entering the Club.

If you are not vaccinated and considering your options, you may consider applying for Leave of Absence which can effectively put your Membership on hold, while circumstances may change. If you wish to return prior to the 12 month term, consideration will be given to applications.

Please remember, the Government has introduced these measures on a Shared Responsibility basis. We will be endeavouring to prevent the spread of COVID 19 where we can, and require you and your guests to do the same.

Our Staff Don't Make the Rules

Yours Sincerely

General Committee

Perth Flying Squadron Yacht Club
