COVID-19 Information to Members – February 5, 2021

Dear Members

Great news – Another day of zero COVID-19 cases in WA. With the announcements made by Premier Mark McGowan today, please find below an outline of what will happen at the Club until Sunday 14th February 2021.

Masks and SafeWA Check in
Masks must be worn at all times on Club grounds including Clubhouse, external grounds, jetties and on boats.

Everyone on Club grounds must Check in using the SafeWA app or the manual Check in process.

Check in points can be found at the entry to each jetty, and at each entrance to the Clubhouse and within the building.

Hospitality
The Members Lounge will reopen on Saturday 6th February from 12pm, however with the following restrictions:

- Food and drink service will be to tables.
- Food service will be restricted to a reduced menu.

Please remember Masks must be worn at all times while not eating or consuming beverage.

Please note with the Club being closed we have been unable to receive our normal food and beverage deliveries.

The Club is capped at a capacity of 65 persons (excluding staff) in the Members Lounge and Ballroom at any point in time. Therefore, there will be restrictions on the number of Members in certain areas of the Club based on the 4 square metre rule. Club areas/rooms will be monitored closely by staff and your cooperation with any direction from staff to ensure adherence to the distancing requirements is appreciated.

Subject to no further COVID19 restrictions coming into force, the Club will be operating under these restrictions until 12.01 am, Sunday 14 February.

We will update you on this further as the situation changes.
We thank you for your patience. It's been fantastic to see the WA community pull together and get through this lockdown. Like you, we are counting down until Sunday the 14th February when, if everything goes to plan, we can open as per normal.

Yours Sincerely

General Committee

Perth Flying Squadron Yacht Club
